

Discovery Bible Study

To begin the reading of today's passage

- **Reading the text** – We're going to read today's Bible passage twice, with two different readers. Today's passage is: _____. Let's pay close attention as we listen.
- **Retelling the passage** – Who can retell the passage in their own words, from memory, as if sharing it with a friend who has never heard it before?
- **Group check** – For those who listened to the retelling: Was anything left out or added to the original story? What was it?

During the study (6–8 minutes per question as a group)

1. **PEOPLE →** What does this passage show us about people?
2. **GOD →** What does this passage show us about God?
3. **OBEY →** What is God showing me about myself, and how will I obey? (I will...)

After the study

- **PRAY →** Let's each pray briefly in response to what God has shown us today.
- **SHARE →** Who will I share this passage or what I learned with this week?
