Lord I praise, I praise Your holy name
Be lifted high, high upon our praise
Jesus, the magnificent one
Father, Spirit and Son, we praise You

Drank the cup, You took the wrath for us
You spilled Your blood, the Father's only Son
For me, they nailed You to a tree
Now I've been set free, I am free indeed

Glory, power, belong to the Son of God
Glory, po-----wer, be---long to Him

It all belongs to Him, it all belongs to Him

BRIDGE (4x):

You're the only God who could empty the grave
You're the only God strong enough to save
Your the only God who has all power
